

## Statistical Postcards of Cities

In the publication [Statistical Postcards of Cities](#) of 28 March 2024, regarding the data for Split in chapter 2.4 Population, on page 23 in Table 12 Population of the County of Split-Dalmatia, FUA Split and the City of Split, by sex, 2011 and 2021, an error occurred in the coverage of data for FUA Split, that is, the sum total inadvertently omitted data for two municipalities.

Users are therefore kindly requested to use the corrected data presented here.

Thank you for understanding.

**TABLE 12 POPULATION OF THE COUNTY OF SPLIT-DALMATIA, FUA SPLIT AND THE CITY OF SPLIT, BY SEX, 2011 AND 2021<sup>13</sup>**

| County/FUA/city                     | Sex        | Population, 2011<br>Census | Population, 2021<br>Census |
|-------------------------------------|------------|----------------------------|----------------------------|
| <b>County of<br/>Split-Dalmatia</b> | <b>All</b> | <b>454 798</b>             | <b>423 407</b>             |
|                                     | Men        | 221 295                    | 205 299                    |
|                                     | Women      | 233 503                    | 218 108                    |
| <b>FUA SPLIT</b>                    | <b>All</b> | <b>345 183</b>             | <b>325 649</b>             |
|                                     | Men        | 167 538                    | 157 482                    |
|                                     | Women      | 177 645                    | 168 167                    |
| <b>City of SPLIT</b>                | <b>All</b> | <b>178 102</b>             | <b>160 577</b>             |
|                                     | Men        | 84 477                     | 75 583                     |
|                                     | Women      | 93 625                     | 84 994                     |
